To

The Principal Secretary,
Department of Information & Technology,
Govt. of Punjab, Mini Secretariat, Sec. 9,
Chandigarh.

Subject: Request for uploading (on the official website) the nomenclature of the accounts in which the application fee is to be deposited/credited.

Dear Sir,

From my experience in dealing with various public authorities, I may bring it to your kind notice that the designations/names of the accounts in which application fee is to be deposited are different in different public authorities. Some of the public authorities like Vigilance Department, Punjab, have their typical account whereas some of the public authorities have accounts like "PIO, Civil Surgeon, Ferozepur". On the other hand, some other public authorities have the accounts like "Secretary, Public Service Commission" or "Deputy Commissioner, Ferozepur" (without pre-fixing the word "PIO" or "Secretary"). No information is available on the official website about nomenclature of the account in which the application fee has to be deposited in relation to different public authorities.

In the circumstances, I humbly request you to kindly issue appropriate directions to all the public authorities to up-load the particulars of the account in which the application fee etc., is to be deposited/credited, also on the official website along-with particulars of the Public Information Officers and 1st Appellate Authorities etc.

Thanking you,

Yours sincerely

(H.C. Arora)
